EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

2. Authorization for this examiner's amendment was given in a telephone interview with Ms. Saladi on 9-28-5.

3. The application has been amended as follows:

Specification, page 1, line 10,

---09/993,255--- had been inserted on the blank

Specification, page 1, line 12,

---- filed in November 19, 2001, now Patent No. 6,721,297, issued in
April 13, 2004 ---- had been inserted before the word "filed"

REASONS FOR ALLOWANCE

4. The following is an examiner's statement of reasons for allowance:

Regarding claims 1-9, the prior art fails to teach or suggest a method comprising "a binding update is to be sent on behalf of the mobile network node, determining, based on the one or more privacy attributes, a selected number of corresponding nodes to receive the binding update; and sending the binding update to the selected number of

Art Unit: 2665

corresponding nodes,” which is considered in combination with other limitations, as specified in the independent claim 1.

Regarding claims 10-11, the prior art fails to teach or suggest in a communication system comprising a mobile network including one or more mobile network hosts attached to a mobile router, a method comprising the mobile router “communicating a binding update message including the multicast care of address to selected correspondent nodes consistent with the privacy attributes of the mobile network hosts,” which is considered in combination with other limitations, as specified in the independent claim 10.

Regarding claim 12, the prior art fails to teach or suggest a mobile router comprising “a routing element operable to send binding update messages including the multicast care of address to a selected number of correspondent nodes consistent with the requested privacy attributes of the mobile network hosts,” which is considered in combination with other limitations, as specified in the independent claim 12.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
